

## Examination Results 2020

TSPS community celebrates excellent results in this year's IGCSE, A level and BTEC examinations. Our students have raised the bar despite the challenges and uncertainties presented by the ongoing scenario. This reflects resilience, perseverance and consistency in their approach to learning.

This year because of the pandemic, our students did not have the formal board examinations at the end of the year. Teachers' assessments, exam board algorithms and historical data were the deciding factors in every students' results.

Highlights include –

- 100% pass rate in IGCSE and A level results.
- 87.3 % IGCSE students achieved A\* to C grades.
- 35% of the A level students got A\* to A percentage and 69 percent got A\*to B.
